### Baby Boomers Fitness Program Age: Adult

An Indoor or Outdoor Exercise Program; Can you touch your toes? Are you out of breath just walking a few feet? Can you lift your legs up high enough to kick an attacker? Can you speed-walk or jog? ...Even better, can you run from an attacker? Can you carry a bag of groceries to your car and into your home without getting winded? Can you catch your child or grandchild if they ran out into the street before it is too late? If there was a fire, could you get out fast...Even with the best plan of escape? Here's how the Baby Boomer Boot Camp can benefit you: We train you how to warm up your body and stretch properly. We strengthen your heart so that you can walk, jog or run when needed. We build up your muscles so that you can carry your own packages. We show you how to have fun while exercising every muscle in your body. We bring back stamina, endurance and vitality in your everyday activities. We change the way you look at exercise, food, fun and proper nutrition.

### Girl Scouts

Girl scouting builds girls of courage, confidence and character, who make the world a better place. Girl scouting helps girls develop leadership, decision-making and planning skills at a young age. It also gives girls the opportunity to get involved in community service and to see the benefits of helping others.

### Chicago Style Stepping

Age: 16+

Chicago Steppin' originated in Chicago and gained its popularity with the hit song "Steppin in the name of love." Steppin' has since swept the country. Steppin' as it's called; is a dance consisting of two or more people dancing in synchronization. Chicago Steppin' also promotes a healthy and active life style alternative. The class combines music, social interaction, fun and exercise. This is an exciting dance to learn, even for those who insist they have two left feet or no rhythm. This class is for people of all ages and there is NO PARTNER NECESSARY!
